INTRODUCTION

I am **Liakat Hossain**, a pioneer spokesman for Bangladesh Awami League in the ICT industry. I am dedicatedly working to form a pro-Awami League coalition amid the IT association like BASIS, BACCO and ECAB by highlighting the tons of achievements of the party to raise Bangladesh as a digital, smart and tech savvy country in the arena of information and communication technology.

I have always cherished a deep passion for Bangladesh Awami League and I was actively engaged with Bangladesh Student League during my early age. I extremely inspired by the ideology of Bangabandhu Sheikh Mujibur Rahman and I admire Prime Minister Sheikh Hasina from the bottom of my heart.

DIGITAL CONTRIBUTION

I am Liakat Hossain, a tech entrepreneur, technologist, and advocate for progress within the constantly evolving field of Information and Communication Technology (ICT). With leadership roles in four prominent companies, both domestically and internationally, I have explored into diverse areas including enterprise solutions, Software as a Service (SaaS), Games & Apps Development, as well as IT and soft skills training.

I possess extensive expertise in Oracle database administration, having served as an Oracle University trainer and provided consultancy services for various sectors including MNCs, telecom companies, and governmental institutes. I hold professional certifications from Oracle, Red Hat, and Microsoft, and have participated in over 30 training sessions. This robust technical background not only ignites my passion for innovation but also underscores my dedication to steering the future of our industry.

Beyond the confines of my corporate responsibilities, I am deeply engaged in the broader ecosystem of the ICT industry. I am passionately involved in policy development, startup cultivation, venture capital initiatives, and promoting synergies between the IT industry and government to drive us into the Fourth Industrial Revolution (4IR). I am a member of the national election monitoring IT subcommittee at Bangladesh Awami League. Additionally, I serve as Convener and Secretary-General at Amrai Digital Bangladesh Foundation and hold the position of ex-member of the President's Advisory Standing Committee of BASIS.

As we stand at the point of transformative change, I am dedicated in my commitment to championing progress, fostering innovation, and advocating for the collective interests of our industry.
